PRAY EVERY DAY

117 DAYS OF PRAYER

Saturday, February 23rd, 2:00 PM—4:00 PM
PRAYER WALK

We will have a special time of prayer over our people, staff & elders as we follow the signs around the church. This is a family event so bring your children and pray together as a family. There are many ways to participate: come and pray over the area from the card you picked up on January 6th, walk the church praying at each sign, or sit and pray using a map of the church. You can pray with a group or on your own. Let's join together to praise the Lord and ask His blessings on FCC. Information in the Lobby.

SMALL GROUPS

If you are not presently in a small group please seriously consider making this a part of your spiritual renewal for the new year. Most of our small groups are just now beginning to join together again this week after a holiday break, so now is a great time to think of joining a group. Our small groups are not only one of the best places to dig deeper in God's Word it is also a good place to make connections with like minded people in the faith. The relationships built in these groups can not be reproduced by attending just our morning services. If you feel you are needing something more in your spiritual journey please seriously consider committing now to investigate several of our groups this month to find just the right fit for you.
