# Thomasville First United Methodist Church

March 29, 2020

Well, as we continue to practice social distancing, we will also continue to broadcast our worship services on WTUF 106.3FM radio and streaming. We are going to try and have more visual elements this coming week, Sunday March 29. We are ordering a better camera, but this week we will use one we already have in house. This camera works okay for close ups, but not as well at a distance. As streaming might be a longer term situation, we are getting a better camera.

We must learn to adjust in the short-term for the long-term good of all of us. We of course rely on God to lead us into peace. Obviously Psalm 23 gives us comfort in times of fear and uncertainty like we currently find ourselves. So please go to God in prayer and His written word to find comfort for yourself and others. I would like to thank you for your financial faithfulness during this difficult time.

Listen to us Sunday,

**\*SERVICES ONLINE (TFUMC.COM)

If you are a Sunday morning giver, unfortunately with no Sunday morning services you do not have the opportunity to give. The church still has bills to pay and ministries to fund through this trying time. Thank you for your faithfulness to the Lord.

## 2020 GUATEMALA MISSION UPDATE

On Monday (March 30) Amanda West will be hosting an interactive virtual meeting with a Mission Guatemala representative at 1pm. This in lieu of the CNS meeting on March 25th. It's very possible that we will not be going on a trip to Guatemala this June as a church due to the health crisis, but this is still an opportunity to learn more about this organization and the work they do. If you would like to join this meeting or submit any questions to find out more about this potential partner, please contact Amanda: [awest@tfumc.com](mailto:awest@tfumc.com).
