DISCOVER YOUR GOD GIVEN GIFTS
Over the last several weeks, Scott and I have been leading a class on spiritual giftedness that has provided a “30,000-foot” overview of those gifts. Beginning Wednesday, November 12th, we will be doing a deeper dive into the individual gifts. Some of what we will examine are characteristics typically associated with each gift and problems that could arise. Even if you did not complete the first study, you are welcome to join us.
