The Young Learners Academy calendar aligns with local school systems, except for days determined by our Young Learners Advisory Board or when our church building is closed.

Young Learners Academy is a non-profit weekday preschool for children ages 12 months through 4 years. This program is a ministry and education outreach of Thomasville First Methodist Church.

Young Learners Academy welcomes all children and families, regardless of race, ethnicity, religion, or socio-economic background. Our goal is for your child to be safe, feel loved, and learn in an age-appropriate Christian setting. *If your child has special needs or requirements (physical, emotional, behavioral, or academic), we encourage you to connect with the YLA director before registration so we can best support your child.* Our school environment might not be suitable for every child. We reserve the right to decline admittance or dismiss children from our program if it is determined that we cannot meet their needs or if they hinder other students or teachers.

Please sign here to acknowledge the above statement.

I understand that I am registering my child for the 2026-2027 school year at Young Learners Academy, and my deposit is nonrefundable.
